The King Township Public Library has always had a strong relationship with the art groups of King. From the 1970 's, the library housed the township 's first public art gallery in the basement of the King City Library, to the present support and participation with the Arts Society King. A very generous donation made by the Leonard & Gabryela Osin foundation has allowed the Schomberg library to host the library 's first ever Artist-in-the-Library programme. The goal of the programme is to connect residents with the world of art through a series of short instructional sessions for patrons of all ages while highlighting the library system 's collection of art books and other related materials.

WHY CHOOSE LIBRARY PROGRAMMES?

The King Township Public Library provides programming to our community that encourages both reading and literacy. Our library system holds a substantial collection of materials that can enhance the learning experience that is fostered in all of our programmes. You can be sure that there are always books to be found on display in support of the event 's theme. Our library programmes are designed specifically to support the process of life-long learning and encourage associated literacy skills through the use of the library 's resources. An excellent example is our **Every Child Ready to Read** component present in all of our early literacy programmes. This initiative was developed by the American Library Association (ALA) to educate parents and caregivers and facilitate the sharing of books and activities that help develop pre-reading skills necessary for reading success!

The construction of the Elevator is to begin in King City this summer, along with other accessibility improvements.

Write Now @ King!

Write Now! Will be held on Thursday, **June 10 @ 1-3 p.m.** and **June 24 @ 7-9 p.m.** at the **King City Library**. Develop your craft by joining forces with other writers - both novices and published authors for support and encouragement. Please pre-register at 905.833.5101 - King City Library.
