

**King Township Public Library's**  
**WORLD OF SCIENCE**

**March Break Programs**

All Ages

### Twisted Ones

Come to the library for a show packed with games, incredible balloon costumes, magic and cool music. Watch as balloons are transformed into butterflies, angels, monkeys, spiders and more. For all ages, cost is \$5.00 per child. Please pre-register.

**King City** - Monday, March 16 @ 10:30—11:30 a.m.

### Reptilia

Reptiles are coming to the library! An educational program that focuses on reptiles, snakes, lizards, turtles and a small crocodile! The event is very interactive. The participants will all be able to touch the animals, make sure to bring your camera! For all ages, cost is \$5.00 per child. Please pre-register.

**King City** - Tuesday, March 17 @ 10:30 - 11:30 a.m.

**Schomberg** - Thursday, March 19 @ 2:30 - 3:30 p.m.

**Ages 3 - 7**

**SCIENTISTS  
IN SCHOOL**

### **Movin' and Groovin'**

You can roll, you can tumble, you can slide, you can fumble, but you cannot hide from movement! Explore how everything around us moves in some way, even you! Jump like a flea, create a pompom launcher and race a water bubble to the finish line. Have fun getting things moving and grooving!  
For ages 3 - 7, cost is \$5.00 per child.  
Please pre-register as space is limited.

**Nobleton** - Monday, March 16 @ 10:30 - 11:30 a.m.

### **Please Play with your Food!**

Learning chemistry is fun when it's all about food! Make elephant toothpaste from kitchen chemicals. Explore solubility while experimenting with sweet treats. Create art using chemistry and watch it fizz! You'll even get to race your food in this chemical caper.  
For ages 3 - 7, cost is \$5.00 per child.  
Please pre-register as space is limited.

**Schomberg** - Wednesday, March 18  
@ 10:30 - 11:30 a.m.

For Ages 4 - 7

### Live Artfully

Children get the opportunity to participate creatively, expand their individual imagination, and learn to appreciate artistic expression. Students learn about paint, brush strokes techniques, the colour wheel and art mediums used to produce beautiful pieces of art work. Wear clothes that can get dirty, caregivers are required to stay in the room.

For ages 4 - 7, cost is \$12.00 per child per session.

Please pre-register as space is limited.

**King City** - Saturday, March 21 @ 10:30 - 11:30 a.m.

Saturday, March 28 @ 10:30 - 11:30 a.m.

For Ages 6 - 12

**SCIENTISTS**  
IN SCHOOL

### **Obey Newton: It's the Law!**

Sir Isaac Newton was one smart dude. Explore Newton's Laws of Motion as you learn how things like to stay put; how size does matter; and how your actions always produce a reaction. You will race bubbles, build a car and design and test a rollercoaster. Physics is fun!  
For ages 6 - 12, cost is \$5.00 per child.  
Please pre-register as space is limited.

**King City** - Monday, March 16 @ 1 - 2 p.m.

### **Good Clean Fun!**

Fun with soap and water? You'll be astonished when you explore surface tension, make a soapy work of art and discover the fascinating things bubbles can do. Make a bath bomb to take home and amaze your family with the chemistry that makes it explode.  
For ages 6 - 12, cost is \$5.00 per child.  
Please pre-register as space is limited.

**Schomberg** - Wednesday, March 18 @ 1 - 2 p.m.

## Ages 6 and Up
